Are you fully prepared and covered in the event that local healthcare facilities can not provide you or your loved one's with the medical care you need?

- **Major car accident**
- **Cerebral malaria**
- **Spinal injuries**
- **Cancer**

While many of these cases can be handled by local facilities, if the cases become to complex and treatment is unavailable, then an evacuation could mean the difference between Life or Death.

Many people do not realise the costs involved, until it is to late. **An Air Ambulance From Nigeria to South Africa**, can cost in excess of US\$80 000.00, plus hospital and doctors fee's. These all need to be paid upfront prior to evacuation.

**Hygeia HMO**, in association with **Aeroworx** are proud to offer you International Medical evacuation cover. This, together with a local **Hygeia Medical Policy**, will provide you with the ultimate in healthcare cover.

With the International evacuation policy, you receive US\$500 000.00 cover per event, affording you and your loved one's, that in the case of emergency, or critical illness, the best healthcare is obtainable, and is not a financial burden.
